Illinois Auctioneer Continuing Education

Online Distance Learning Courses

(Updated: 4/13/26)

Novalis is committed to providing quality continuing education in ways that accommodate busy auctioneers. Below we have listed the steps you must follow to ensure the best possible educational experience. We also recommend that you review the attached “Online Distance Learning Course Policies” so that you understand how the process will work.

SLIDE HANDOUTS PROVIDED FOR NOTETAKING

Before you begin each course, you may want to print a set of course slides for notetaking as you listen to and view the presentation. A complete set of all course slides (pdf format) can be found by clicking on the “Files” tab in the upper right corner of the course web platform. As you listen to and view the slides, write notes or highlight key points and concepts to help you learn. You can pause the video as needed to write notes. While the slides and notes should help you through the learning and review process, they cannot be with you while you take your final examination.

COMPREHENSION CHECK REVIEW QUESTIONS BUILT-IN

As part of our Online Distance Learning instruction, “Comprehension Check” questions are built into the course modules to review some of the key course concepts. The questions are NOT the same as those on the final examination but should help prepare you for your 25 question T/F proctored final examination.

TAKE YOUR PROCTORED EXAMINATION

Illinois state regulators require that students pass a proctored, state-approved examination for each course. Exams will be emailed directly to your approved examination proctor if an outside proctor is used. Note: We must confirm from the online platform that your learning requirements have been met before the exams are forwarded to the proctor.

Students Wishing to Utilize Novalis Zoom Proctored Exams: Both returning and new students may wish to enroll in the Novalis online proctored exams using the Zoom technology. Our “All 4 Courses” package and our single courses are all available for purchase with the Zoom proctored exam fee included. Students will complete all course training units before being prompted to schedule a Zoom proctored exam to finish the course.

Returning Students Using a Previously Approved Proctor: If you are a returning student with an approved proctor from the prior renewal period who meets the current Novalis proctor guidelines, you do not need to complete a new “Proctor Application.” However, you must contact Sue Wiseman at sue@novalislearning.com or (888) 346-5411 so we know that you have arranged to use the same person. You must also verify that we have the proctor’s current email address and telephone number.

New/Returning Students Using a New Proctor: If you are a student without an approved proctor, you will need someone to administer the state-required examinations. Proctor selection information is on subsequent pages of this document. When you have chosen a proctor, please have them complete the application and return it by email. Once your proctor is approved, examinations will be emailed directly to them to be kept secure until testing.

COURSE EVALUATION CONTAINED IN EACH COURSE

At Novalis Learning, we strive to continually improve our courses and appreciate student feedback, With online courses, the state required evaluations are built into the course and must be completed before you can finish.

EVIDENCE OF SUCCESSFUL COMPLETION

Students who successfully complete a course using an outside proctor (i.e., view the entire video, pass the final exam, complete the course evaluation, and not engage in fraudulent conduct) will receive a “Completion Certificate” via email. After a successful Zoom proctored exam session a “Completion Certificate” will automatically be generated.

PROVIDE CURRENT LICENSE INFORMATION

It is the student’s responsibility to provide Novalis with his/her correct auctioneer license number when they register for a course and on the front page of each written exam. Should Novalis have to issue a replacement Completion Certificate, or re-report to state regulators due to a license number error, an additional fee will be charged (see Course Policies).

REGISTRATION

Registration for courses can be initiated through our secure website at novalislearning.com

PAYMENT

Payment for all courses is due upon your registration in the course. Payment may be made in the form of an approved credit card (Visa / MasterCard) through our secure website.

REFUNDS

For online distance learning courses, refunds will be given if requested by phone or e-mail within 15 days after the course materials have been ordered and not started. The refund amount will be the tuition paid less a \$15 administrative fee per course and will be paid within 30 days of cancellation.

TIME REQUIREMENT FOR COURSE COMPLETION

A student may take up to 90 days from the initial date of registration to complete an online distance learning course with Novalis. *This 90-day period is strictly a Novalis policy and is unrelated to the continuing education completion deadlines or license renewal deadlines for the state of Illinois. It is the sole responsibility of the student to ensure that he/she completes courses in time to meet the state requirements.* Novalis may re-activate an expired course for a student for an additional 90 days for an administrative fee of \$15 per course, as long as the course material has not changed and it is still available under the same conditions and with the same characteristics as when the student originally registered.

GRADING TIME

For students using an outside proctor all tests and examinations will be graded within three business days of their receipt by Novalis. A "Completion Certificate" will be sent out immediately thereafter by e-mail. After the successful completion of a Zoom proctored exam session, a "Completion Certificate" will automatically be generated.

RUSH GRADING FEE

Students who require that their tests be graded in less than three business days from the date they are received by Novalis can request our Rush Grading Service for an additional fee of \$15 per examination.

ADMINISTRATIVE AND EXAM RETAKE FEES

Students who fail to completely answer all questions or provide all personal information on a written exam; fail to submit course evaluation forms; or require a test retake will be charged an additional fee of \$15 per examination or evaluation.

UNETHICAL BEHAVIOR

Novalis does not tolerate unethical behavior by its students when taking courses. Unethical behavior includes but is not limited to: (1) attempting to receive completion credit for courses not completed in the manner required, (2) failing to abide by Novalis course policies or attendance policies, (3) cheating or facilitating cheating on any assessment exercise, test, or examination, (4) duplicating or reproducing materials or otherwise violating the Novalis copyright policy, (5) plagiarism in any form, (6) violating the *Terms of Use* of the Novalis web site, (7) facilitating course completion for another student, (8) providing false or misleading information, and (9) colluding with an examination proctor. Novalis will not issue a Completion Certificate to any student which it believes has engaged in unethical behavior in completing a Novalis course, nor will we refund any course fees. Where required to by state license law, Novalis will also report the student to the respective state regulator. The determination of whether a student has acted unethically is made at the sole discretion of Novalis.

GUIDELINES FOR SELECTING A NOVALIS COURSE PROCTOR

SELECTING A PROCTOR

Each student is responsible for selecting a proctor to administer the examination(s) which are required by the state for the successful completion of any distance learning continuing education course. When you have selected the person who has agreed to serve as your proctor, please send us the completed “Application To Serve As Examination Proctor” form. To avoid being rejected, please be sure that the application is completed in its entirety. **No application is required when a student orders the course exams online and utilizes the Novalis online proctoring service.**

PROCTOR ELIGIBILITY

The proctor must be a professional person who proctors examinations as a regular part of his or her professional duties (e.g., a librarian or professional educator). The proctor must be an independent third party person and must be located outside of your place of employment. **Family, friends, coworkers, and other licensees will not be approved as proctors. The examination(s) must be administered in the proctor’s place of business. Homes, home offices, or the student’s place of business are not appropriate.** See the “Guidelines For Serving As A Proctor” for more specific information. The student is responsible for any fees that a proctor may charge, though most proctors do not charge fees unless it is for an approved on-line administrator.

As an alternative to an in-person proctor, an auctioneer may utilize the services of a Novalis online proctor for a fee. To qualify for this option, the student must have access to the Internet, along with a computer and camera that is capable of streaming “Zoom” while the exam is being taken. Upon completion of the courses, the student must contact the Novalis office and then an on-line proctor will contact the student to arrange a convenient date and time for the examination. At the appointed time, the proctor will initiate a video meeting to confirm the student’s identity and will provide the student with the information for the website where the exam is stored, along with the exam password. The student will take the exam while the proctor is watching to ensure that there is no unethical behavior. Upon successfully completing a course exam session a “Completion Certificate” will be automatically generated. Both parties will log-off and Novalis will notify the state.

CUSTODY OF EXAMINATIONS

If using an outside proctor, exams will be emailed directly to the proctor. Students are responsible for contacting their proctor to arrange a mutually convenient time for testing. Your proctor will keep the test materials in a secure location and will confirm your identity before you take the test(s). **Bring photo identification with you to the test site** or you will not be allowed by your proctor to take the tests. The proctor will monitor the exam process to ensure that all guidelines are met. Completed tests must be returned to Novalis by the proctor via email or fax. All tests are closed book. **Be sure to bring your licenses or license numbers to the test site.** All other materials (e.g., coats, briefcases, purses, phones, electronic devices, etc.) must be out of reach during testing.

EXAMINATION SITE

Exams are to be administered in an environment conducive to test taking. An office in the student’s place of employment is not an appropriate setting. Most proctors can arrange an appropriate place at their business location that would be off limits to others and free of telephone, paging or intercom systems. In short, your proctor should ensure that the area is quiet and conducive to your concentration while taking the exam.

CERTIFICATION & VALIDITY OF RESULTS

The exam will have a cover page which includes a certification that both you and your proctor must sign in order for your examination results to be valid. This certification attests that you understand the conditions under which you are to take the test, and that if we believe the test taking or proctoring process has been compromised in any way, we may at our sole discretion determine that the results are invalid due to unethical conduct.
